

Distribution of College's Portion of Sponsored Research Indirect Recovery

The following policy is to be used to distribute the College portion of the indirect cost funds recovered from grant and contract expenditures. Beginning July 1, 2019 the College of Arts, Sciences, and Business receives 20% of the Facilities and Administrative (F&A) costs generated by grants in the College. (See Chancellor Policy Memorandum [III-27](#) and [III-30](#)).

Distribution of the 20% College portion of indirect cost funds will be as follows:

College	56.25%
Investigator	25.00%
Department	18.75%

These percentages may be adjusted, in circumstances including but not limited to the following:

- If the College is unable to recover the (\$90,000) deficit created in exchanged for the 20% of F&A from Policy Memorandum [III-27](#) dated July 1, 2019.
- If all, or a portion of projected F&A is committed by the College, Department, or Investigator for Cost Share Match.

EFFECTIVE DATE: May 25, 2020

RESPONSIBILITY: Vice Provost and Dean, College of Arts, Sciences, and Business
 College Financial Manager

BASIS: This policy was generated to make every effort to distribute 3.75% of F&A to departments and 5% of F&A to principal investigators as established by Missouri S&T Policy Memorandum III-27 dated April 1, 2013
